## **Bruiser's Briefcase Bash**

### Young Alumni Networking Panel

**Bruiser's Briefcase Bash looked a little different this year, but students and alumni alike enjoyed the opportunity to network virtually!**

In collaboration with the Office of Alumni Relations, the Institute for Career Planning was able to successfully coordinate a virtual version of this networking and career-readiness event.

Students were able to ask a panel of young alumni about their transition from college to career, hear about the post-graduation job hunt and first job experiences, and ask for tips and tricks as they enter the job market.

A big thank you to our alumni panel:

Greg Bartosch (2011), Mike Blumenthal (2017), Amanda House (2010), Carlos Lozano (2006), Clark Rowenkamp (2007), Desmond Upshaw (2008) and Amy Jo Young (1984).

## **Class of 2021: First Destination Survey**

As a part of institutional data-gathering, the Institute for Career Planning surveys all graduating seniors about their first destination after Adrian College. This information helps us to understand the outcomes of our graduates.

Senior Kristin Conner was our gift card winner for completing the survey before finals week!
