

INSTITUTE FOR CAREER PLANNING

ADRIAN COLLEGE

APRIL 2023

MAY AND SUMMER INTERNSHIPS

This summer, 9 Adrian College students will be completing roughly 40 hours of internship credits. Many of the students will take advantage of their time off conducting research and non-credit bearing internships.

AC students seeking credits will be completing professional internships experiences at the following sites:

Green Bay Rockers
Henry Ford Executive Health Department
Lansing City Police Department
Midland Police Department
Purdue University College of Veterinary Medicine
Michigan United Methodist Camping
Crowe LLP
Sterling Heights Police Department
Mane USA

IN THIS ISSUE:

- 1 Upcoming Internships
- 2 Student Employees of the Month
- 3 Track & Explore and Job Pursuit
- 4 Etiquette Luncheon and College to Classroom
- 5 Where to find us

STUDENT EMPLOYEES OF THE MONTH

MARCH

March Student Employee of the Month is Isabella Dominguez (pictured below). Isabella has done amazing work for The Office of Conferences. She was nominated by her supervisor DeAnne Lewin for her incredible work ethic and drive.

OCTOBER

October Student Employee of the Month is Kiersten James (pictured left). Kiersten has been extremely helpful for the Academic Service Testing Center. Kiersten's supervisor, Amanda McGovern, nominated her for going the extra mile to help students and their office.

SWAG BAG WINNER

GRACE CROCI

The swag bag was donated by the Institute for Career Planning, Adrian College Student Life, and the President's Office.

FEBRUARY

February Student Employee of the Month is Career Planning's own Grace Croci (pictured right). Grace takes initiative and has proven herself as a leader in our office. She was nominated by her supervisor Janna D'Amico.

NOVEMBER

November Student Employee of the Month is Brenden Stanko (pictured above). Brenden has done exceptional work at the Arrington Ice Arena. His supervisor, Jeremy Symington, nominated Brenden for his go-getter attitude.

TRACK & EXPLORE

Track And Explore: "A Nature Adventure with MIS & Adrian College"

This Spring, for the first three weeks in May, Adrian College students and staff will join together with MIS to host day long nature adventures for middle school students. The classes are all lead by students of Adrian College in our Teacher Education and Science departments providing them a fun experience while also gaining leadership and educational skills. The program is lead by Dr. Jeffery Lake and Janna D'Amico. Also joining this year from the Teacher Education Department is Danielle Gilbert and Dr. Kyle Griffith. This years grant support comes from MIS Cares and the Consumers Energy Foundation; making it possible to offer a free field trip to schools.

Three Adrian College students, Timothy Bilen, Alivia Depies, and Jason Eckardt-Taing, attended the Job Pursuit Career Fair in Lansing on February 17th.

The students were able to collaborate with 40+ companies, participate in on-site interviews, have their resume reviewed, and professional headshot taken.

The students were also able to hear from speakers TaRita Johnson, the Senior Vice President of The Right Place and Rachel Gray, the Executive Director of Hello West Michigan. They discussed the importance of networking and how college students can begin building on their professional development while still in school.

ETIQUETTE LUNCHEON

On March 14th Career Planning hosted their annual Spring Etiquette Luncheon. Adrian College students signed up to join Mrs. Pam Van Doren, an Adrian College Alum and member of the Board of Trustees, for a formal meal. The luncheon was an opportunity for students to learn about fine dining and learn tips and tricks for acing their next dinner interview or professional event.

There will be an Etiquette Dinner offered in the fall semester for any student wanting to nail their next social dining engagement.

COLLEGE TO CLASSROOM

The 'College to Classroom' Event was held March 10th in collaboration with the Institute for Career Planning and Teacher Education Department.

The College to Classroom event puts the focus on our associate teachers. During this half day event, students learn about the job search process, participate in mock interviews, and explore financial tips while networking with local teachers and principals.

AVAILABLE INTERNSHIP SITES

Living History - Interns will have a unique opportunity to participate in building the living history program at Adrian College from the ground up. Candidates will be required to assist in populating the system with historical data but will also have the opportunity to help advance the program by offering their ideas and observations from their own perspective as students and consumers of the final product. Looking to fill immediately for summer and fall.

Michigan Medicine (All Majors) - Computer Consultant intern will perform support, asset management duties, and resolution of desktop issues for Michigan Medicine and other duties as needed as experience is gained.

Roto Plastics - Administration assistant internship involving reviewing and updating SAFETY DATA SHEETS (SDS), contact suppliers for current SDS, update master and department SDS books, and oversee training meetings for employees.

Play at the Cage Baseball and Softball Academy - Internship is available for Sports Management and Business majors, contact Tom Dishman at (734) 646-3820 for more info.

Alro Plastics - Internship open to Business majors who are interested in supply chain management. Employment at Alro is about being part of something bigger. It's about being on a TEAM that employs the highest levels of loyalty, honesty and integrity.
