

Adrian College

Student Employer: Adrian College - 110 S. Madison St. Adrian MI 49221

Department: Geology and Environmental Science

Supervisor: Sarah Hanson - slhanson@adrian.edu

Job Title: **Student Worker:** Geology Laboratory Teaching Assistant

Location: Jones / Peelle

Purpose of Position: To assist the Geology and Environmental Science department with tasks.

Beginning and End Date: 2024-2025 Academic Year

Job Description:

The laboratory assistant position is available to upper division geology, environmental science, or environmental studies students only. The job entails preparation of research samples, curation of rock and mineral specimens and general lab cleanup. In some cases, the lab assistant will also act as a teaching assistant to Dr. Hanson and Dr. Muntean in introductory labs. Duties will include preparing for the lab, attending lab and answering student questions, and holding review sessions during the week of the lab midterm and final exams.

Rate of Pay: This is a part time student employment position at \$10.33 for hours worked.

Hours: Up to 8 hours per week unless otherwise approved.

Required Job Skills: Completion of, at minimum, GEOL 101 and a second GEOL or ESS class.
